

State Fact Sheet

District of Columbia

The National Athletic Trainers' Association (NATA) is the professional membership association for certified athletic trainers and others who support the athletic training profession. Founded in 1950, the NATA has grown to more than 45,000 members worldwide today. NATA's mission is to represent, engage and foster the continued growth and development of the athletic training profession and athletic trainers as unique health care providers.

WHO ARE ATHLETIC TRAINERS?

Health care professionals who render service or treatment, under the direction of or in collaboration with a physician, in accordance with their education and training and the states' statutes, rules and regulations. As a part of the health care team, services provided by athletic trainers include injury and illness prevention, wellness promotion and education, emergent care, examination and clinical diagnosis, therapeutic intervention, and rehabilitation of injuries and medical conditions.

QUICK FACTS ABOUT District of Columbia's ATHLETIC TRAINERS

- 82 Certified Athletic Trainers
